

Dinner Seating

IMPORTANT

Table seating for AIFD's two wonderful dinner events is coordinated through an assignment of seats prior to each event. Upon check-in with the AIFD Symposium Registration Desk in Chicago, guests who register for either or both dinners will receive a ticket for the respective events to which they have registered. These tickets **MUST** be turned in to receive a table assignment. Guests who wish to sit with friends, etc., need to collect all tickets before turning them in for table assignment. Tables will not be held without tickets. If you know that you want to sit with certain friends or family for either dinner, be sure to coordinate the collection of tickets in advance. All tickets must be returned for table assignments by noon on the day of the dinner event otherwise AIFD cannot guarantee a seat for you even if you have purchased a ticket, and no refunds will be given.
