

## 2010 National Symposium

Presented by the American Institute of Floral Designers  
and the AIFD Foundation

# Dinner Seating

## Important

To assist you in being able to sit with your friends, table seating for AIFD's two wonderful dinner events is coordinated through an assignment of seats prior to each event. Upon check-in with the AIFD Symposium Registration Desk in Boston, guests who registered for one or both dinners will receive a ticket for the respective events to which they have registered. These tickets **MUST** be turned in to the table-seating coordinator at the AIFD registration desk in order for a seat at a specific table to be assigned. Guests who wish to sit with friends, etc., need to collect all tickets before turning them in for table assignment. Tables cannot be held without tickets. If you know that you want to sit with certain friends or family for either dinner, be sure to coordinate the collection of tickets in advance. All tickets must be returned for table assignment by noon on the day of the dinner event, otherwise AIFD cannot guarantee a seat for you, even if you have purchased a ticket, and no refunds will be given.
