Please join us for this fun filled informative one day custom hands on workshop  
A full day of demonstration, lectures, discussion and hands on design work and critique.  
The latest in creating themed décor. Creative centerpieces will be emphasized.

The workshop will focus on developing a realistic theme that makes for a happy occasion.  
A time and material saver for the designer.

Learn how to make beautiful bouquets using less flowers less time and to use every piece  
of material so no flowers are left over after the occasion is complete. The WOW factor !

The workshop is open to any level of design experience – or perhaps none at all

Registration includes everything except your tools and a notebook.

Class size is limited – no visitors please. Registration deadline is September 17. Please let  
us know you are coming as soon as possible. We need 15 for this workshop to make. A  
\$50 deposit required to reserve your space. The balance is due the day of the workshop

Please call us or email us to register and use your credit card. Phone 805-541-1532  
Email sloflwrs4u@aol.com or mail in the enclosed registration form with your check.

**WE LOOK FORWARD TO SEEING YOU ON SEPTEMBER 26 !!**
